

## MULTIFUNCTION COPIERS AND RELATED SOFTWARE

### NON-MANDATORY CONTRACT

The WSCA-NASPO Cooperative Purchasing Organization leverages the buying power of procurement from multiple states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of WSCA-NASPO.

These copier contracts are available to state agencies and Alaskan political subdivisions. They are divided into five groups, which are distinguished by copier type. Each group is divided into multiple segments, which are distinguished by copier output speed. The groups are listed below and they each include a list of the manufacturers and their contract award number.

These are manufacturer based contracts, presented here in alphabetical order but there is no required ranking and agencies are free to utilize whichever contract they choose without additional competition. The manufacturer names listed below are hyperlinked to take you to the manufacturer's WSCA-NASPO website for the State of Alaska. The websites provide pricing and details about buying a copier.

All purchase orders should include the appropriate contract number listed below and the state price agreement number: **1715**.

Each manufacturer has Service Base Locations, which are a place of business where, as a regular course of business, the manufacturer or dealer provides the warehousing of parts and training for service technicians.

For the purposes of these contracts the state is divided into the following two Service Zones:

**SERVICE ZONE****DEFINITION****Urban**

All the surrounding communities accessible by roadway within a 60 mile radius of the closest service base location.

**Remote**

All locations within Alaska that are outside the Urban Zone.

Following is a schedule of the Service Response Times and the equipment delivery times for each Service Zone:

GROUPS	URBAN RESPONSE TIME	REMOTE RESPONSE TIME	URBAN DELIVERY TIME	REMOTE DELIVERY TIME
Groups A & B	4 Hours	4 Working Days	30 Days	45 Days
Groups C & D	3 Hours	2 Working Days	30 Days	45 Days
Group E	4 Hours	4 Working Days	30 Days	45 Days

The vendor is allowed to bill remote agencies for actual freight costs to ship a new copier from the closest in-state service base location to the final destination. The vendor is also allowed to bill remote agencies per diem expenses at the state per diem rate of \$60 per day.

Agencies can learn about the products and services provided in these contracts by selecting the hyperlinked name of the manufacturer in each of the group definitions listed above.
